

QUALITY POLICY

STRYDE is committed to consistently deliver on our promise of high quality and reliable products and solutions with a focus on continual improvement and customer centricity through technology-led Processes and Innovation, complying with all relevant and applicable statutory laws, evolving regulations, and establishing highest standards of excellence through our Quality Management System, which shall be the fulcrum to achieve the following core objectives.

- Build trust and confidence by offering products and services that exceed the consumer expectation.
- Strive for consistent quality by periodically reviewing and auditing the quality and safety systems resulting in continuous improvement.
- Continuously improve the skills and capabilities of internal and external parties.
- Ensure compliance of internal and external safety, regulatory and quality requirements.
- Work shall be only performed as per the established procedures and standards.
- Reinforce the fact that Quality is everyone's responsibility to achieve zero defects.

A handwritten signature in blue ink, appearing to be 'S. Srinivasan', written over a white background.
